ANNUAL GENERAL MEETING IN SKÆLSKØR 13 APRIL TO 15 APRIL 2012.

**FOR THE FIRST TIME EVER
TANGENT DENMARK AND EX-TABLE DENMARK
HOST A JOINT AGM**

Skælskør has proud Tabler traditions. Round Table was chartered 52 years ago and Ex-Table 65 was formed in 1989. Today, the Ex-Table 65 Skælskør has 23 members. Unfortunately there is no longer an LC club nor a Tangent club in Skælskør, but we hope, that we with our presence, can initiate the formation of TD65 Skælskør and the National Board of Tangent is already working energetically on this.

The title of the national congress is **"The Nautical Congress"** – and it is held in Skælskør – a very active market town on the west-coast of Zealand. 100 years ago this town was an important seaport with many native merchants and a large fishing fleet.

During the congress, most of the activities will take place at venues with spectacular views of the port of Skælskør or the fjord. All the accommodations are located in short walking distance from the waterfront and most of the hotels have rooms overlooking the sea. Skælskør is a peaceful town but also a very dynamic town with brisk business and commerce – especially good beer and soft drinks from **HARBOE** Brewery. The company has just been granted the warrant "By Appointment to Her Majesty The Queen of Denmark" - and we are very pleased to have **HARBOE** as our sponsor for The National Congress.

The National Congress 2012 will be a relaxing and high-spirited weekend with the participation of many Tangents and Ex-Tablers. The price is reasonable and the sea-side location ideal. A very exciting event washed down with the delicious products from **HARBOE**.

We are looking forward to seeing you – this is the first time we host a joint congress - so help us to make it a success – register on www.agm2012.dk
